Organiser:

Central College of the
German Confectionery Industry

Solingen, 04.07.2011

Dear Sir / Madam,

We are very pleased to announce that the INTER-ICE 2011, Europe's largest and most influential Ice Cream Conference will take place in Koelnmesse, in Cologne, Germany from December 6th to 8th, 2011. This time we are placing special emphasis on the poster exhibition and we would like to invite you or a member of your department to present a poster at this event.

The INTER-ICE addresses the ever-growing demand for information on ice cream and ice cream ingredients science & technology through its biennial conferences. All the current developments in the ice cream industry will be covered by a truly international group of expert speakers with industry or academic backgrounds.

The Conference format has proved to be very successful and is designed to be highly interactive, encouraging constructive discussions. Participants will have the opportunity to interact and network with people from the ice cream industry and university research departments and to share their expertise and insight.

Conference participants visit the poster and trade exhibitions during the symposium's extensive breaks. The poster exhibition (**format A0**) is only for institute members and students whose work corresponds to the conference programme (ZDS reserve the right to exclude any proposal that does not correspond with this). Because of our emphasis on posters this year we are offering a **special fee** for the event **of 250 EUR** (normal fee: 1'570 EUR) for one person per poster.

Please fill in the attached form and send it back to us by post or fax (+49 / (0)221 / 596 133) before 28.10.2011.

We look forward to seeing you in Cologne next December at this important event. Please do not hesitate to contact us if you have any further questions.

Yours sincerely,
